Learning goal

Use details from the prescribed text to explain reciprocal sharing and consonant clusters.

Keep the NCERT chapter open. Read or listen to the relevant passages first. Discuss unfamiliar words with an adult and give oral answers before writing.

Identify the speaker before interpreting an image. Sound, repetition and comparisons can suggest feelings beyond literal meaning. Explain an effect using a particular word or image. Use these ideas while reading the chapter.

Worked example

A source-grounded answer begins with a precise detail. For question 1: One needs red; the other needs black. Then explain its relevance if the question asks why or how.

1. Which colour does each speaker need from the other?

2. How does combining their crayons change what they have?

3. Explain why share is an action word in this poem.

Colours

4. Use the answer to question 1 to make a labelled picture. Say a sentence explaining one label.

5. In your answer to question 2, find one naming word and one action or describing word. Use the naming word in a new sentence.

6. Explain this chapter to a friend in three short sentences. Include the detail asked about in question 1 and the idea asked about in question 3.

Explain one answer. Choose a question to revisit after a few days.
