UNIT 01 / 13 · LEARN & TRY

The red bag

Name: _____ Date: _____

Learn

Read the original passage twice. Find people, objects and actions. Use words from the passage when a question asks for evidence.

Mina has a red bag. She puts a book and a small cup in it. At school, a pencil rolls under her desk. Mina picks it up. The pencil belongs to Aman. He says, “Thank you.”

Worked example

A reason explains why something happened. An inference combines a clue in the text with a sensible explanation; it must fit the words on the page.

1. What colour is Mina’s bag?

2. Name two things Mina puts in it.

3. Where does the pencil roll?

UNIT 01 · PRACTISE · 4–6

The red bag

4. Who owns the pencil?

5. What does Mina do when she finds it?

6. What could Mina say after Aman thanks her?

Explain one answer. Choose a question to revisit after a few days.
