Learning goal

Use details from the prescribed text to explain an unexpected ending and precise position words.

Keep the NCERT chapter open. Read or listen to the relevant passages first. Notice who is speaking, the sequence of ideas, and words that support the chapter focus.

Identify the speaker before interpreting an image. Sound, repetition and comparisons can suggest feelings beyond literal meaning. Explain an effect using a particular word or image. Use these ideas while reading the chapter.

Worked example

A source-grounded answer begins with a precise detail. For question 1: He cannot find his spectacles. Then explain its relevance if the question asks why or how.

1. What stops Papa doing several everyday activities?

2. Compare two places searched with the place where the spectacles actually are.

3. Explain why the last discovery is funny.
